RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the restriction requirement mailed January 13, 2005
applicant elects the group 1 invention, including claims 1-14 with traverse.

With reference to claim 15 (group 2), the "resources" are the "servers" in
the server farm. As such, claim 15 of group 2 is related to similar subject matter
which would be within the ambit of some of the elected claims, and examination
of claim 15 on the merits would not cause an undue burden on the part of the
Examiner.

Please proceed to examination on the merits.

A provisional petition is hereby made for any extension of time necessary
for the continued pendency during the life of this application. Please charge any
fees for such provisional petition and any deficiencies in fees and credit any
overpayment of fees to Attorney's Deposit Account No. 50-2041.

Respectfully submitted,

Michael E. Whitham
